

MY PURPOSE

My Purpose in Mary Kay is to excel in all facets of my business, showing others how to do the same, and to speak God's Word to thousands of women across the nation and eventually the world using the vehicle and platform of Mary Kay.

As God provides opportunity for me to fulfill His purposes, I will give freely of all that He has given to me to provide for His children and as He directs.

Specifically, I desire to provide \$100,000 to the Children in Crisis organization in our community to use as operating funds to sustain their day-to-day needs.
